TRIBUNE BRANCH OFFICE,
1486 Washington Ave., Telephone 111DEATH OF TRAMP HURT BY
TRAIN WAS ACCIDENTAL

Special to The Tribune.

OGDEN, June 9.—A coroner's jury impaneled by Judge Howell and consisting of Rudolph Kuchler, J. G. Read and James Cassin, this afternoon returned a verdict to the effect that James Lynch came to his death accidentally, falling beneath the cars. Notwithstanding the verdict, W. A. Burke and D. G. Madison testified that they saw the brakeman, Bain, push Lynch off the car and under the wheels.

This ended the case, as the Sheriff will not arrest Bain after the verdict of the coroner's jury.

The fire department was called out this morning to the residence of John Shiley, on Twenty-first street, where a fire had started in a coal shed, and communicating to the house, caused \$50 damage.

Mayor William Glaumann has formally announced himself as a candidate for the United States Senate. In an editorial in the Standard, Mayor Glaumann's personal organ, he refers to the Senatorial fight, and says that the Salt Lake politicians are somewhat disturbed by the rumor that he was to enter the race, and alleges that propositions have already been made to give Ogden a seat on the State ticket, providing the Weber county delegation would pledge itself to support a Salt Lake man for the Senate.

It would be a bad bargain, he says, as Weber county is entitled to one of the Congressional delegation, and continues the Standard editor offers himself as a candidate, subject to the approval of the Republican party of Weber county. If the Republican party does not approve of our candidacy we will cheerfully step aside and support some other man. We make this announcement thus early in the campaign as some of our friends advise us that money is offered for pledges to support a Salt Lake man for the Senate.

Senator. We shall make no effort to buy our way to the Senate for two reasons: First, we lack the means to do it, and second, we don't believe in the use of money in election affairs.
